Section 11 - CBRNE Reference Materials

Overview

This section was originally created in the Spring 2004 edition to simplify access to reference documents that were previously included under Operational Equipment. All references are classified as either “Field Expedient References”, “Reference Databases”, or “References”, with the first category highlighting those items that would be useful to carry to the scene of an incident. Where possible, author, International Standard Book Number (ISBN), and edition information are provided. Comments on the applicability and utility of specific references are also provided.

Online Selection Factors

Like most sections in the 2006 SEL, the online¹ version of the References Section uses a pair of selection factors to assist users in quickly identifying appropriate equipment items. For the References Section, the SubGroup chose to use the Mission Role definitions from Section 1 as the first factor, and the Hazard Environment definitions from Section 2 as the second. The intent is to allow selection of recommended references by detailed mission role (patrol officer, firefighter, hazmat technician, etc.) and general hazard environment (Chemical, Biological, etc.). See the introductions to Sections 1 and 2 for the specific definitions used. Every online item is “tagged” for each appropriate combination of factors. Thus users on the online version can choose any combination of Mission Role and Hazard Environment, and the system will provide a list of all items tagged for that combination.

¹ The on-line version is available on the Responder Knowledge Base, www.rkb.mipt.org.

Section 11 | CBRNE Reference Materials

| Item Number/Title | Description | Features/Operating Considerations |
|---|---|---|
| FR - Field Expedient References 00 | | |
| 11FR-00-CHRS CHRIS Manual | Author: USCG | Resource Scene Reference ----- Quantity of chemicals discussed. Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. Particularly suited for toxic industrial chemicals. Does not address military agents. |
| 11FR-00-EAGR Emergency Action Guides | Author: Association of American Railroads ISBN: 9990687420 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-ECHE Emergency Care for Hazardous Materials Exposure | Author: Bronstein, Currance ISBN: 0323023428 Edition: Third Pages: 896 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-EETG Effects of Exposure to Toxic Gases; First Aid and Medical Treatment | Author: Matheson ISBN: 9994698605 | Limited descriptions of toxicological mechanisms ----- Quantity of chemicals discussed. Reference resource during preplanning, training, and exercise development. |
| 11FR-00-EHMR Emergency Handling of Hazardous Materials in Surface Transportation | Author: Association of American Railroads ISBN: 9990687005 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |

Section 11 | CBRNE Reference Materials

| Item Number/Title | Description | Features/Operating Considerations |
|---|--|---|
| FR - Field Expedient References 00 - <i>Continued</i> | | |
| 11FR-00-EPAP EPA Recognition and Management of Pesticide Poisoning | Author: Morgan ISBN: 0912702818 Edition: Third Pages: 218 | Descriptions of toxicological mechanisms. ----- Used for preplanning, training, and exercise development. |
| 11FR-00-FCHM Farm Chemicals Handbook | Author: Meister ISBN: 9990801061 Edition: 2002 | Resource Scene Reference ----- Quantity of chemicals discussed. Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-GATX GATX Tank Car Manual | Author: GATX | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-GCST Gardner's Chemical Synonyms and Trade Names | Author: Milne ISBN: 0471735183 Edition: 11th Pages: 1216 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-GENI Genium's Handbook of Safety, Health, and Environmental Data | McGraw ISBN: 0071341439 Edition: First | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-HAZD | Author: Lewis, Richard J. ISBN: 0471441651 | Resource Scene Reference ----- → |

Section 11 | CBRNE Reference Materials

| Item Number/Title | Description | Features/Operating Considerations |
|---|--|---|
| FR - Field Expedient References 00 - <i>Continued</i> | | |
| Hazardous Chemicals Desk Reference | Edition: Fifth Pages: 1728 | Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-HCCD Hawley's Condensed Chemical Dictionary | Author: Lewis, Hawley ISBN: 0471387355 Edition: 14th Pages: 1,300 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-HMFG Hazardous Materials Field Guide | Delmar Publishing Author: Bevelacqua, Stilp ISBN: 0766801551 Edition: 1st Pages: 100 | Resource Scene Reference ----- Quantity of chemicals discussed. Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. |
| 11FR-00-HMMI Hazardous Materials: Managing the Incident - Field Operations Guide (FOG) | Red Hat Publishing Author: Bevelacqua ISBN: 1-932235-05-1 Edition: 2005 Pages: 176 | Resource Scene Reference The FOG includes detailed tactical checklists that follow the Eight Step Process®, a section on identification and recognition of containers, data cards on the top 50 hazardous materials and CBRNE's, as well as a matrix of WMD and drug lab precursor chemicals. The FOG is also designed for use in the classroom to support Hazardous Materials Technician and Incident Commander training. ----- The Field Operations Guide (FOG) is designed to be used at the incident scene as a reference guide to strategic and tactical decision-making. |
| 11FR-00-HTCC Handbook of Toxic and Hazardous Chemicals and | Author: Richard P. Pohanish ISBN: 081551459X Edition: 4th Pages: 2,300 | Resource Scene Reference ----- Suitable for reference at the scene of an incident and as a reference resource during preplanning, training, and exercise development. → |

| 11RE-00-HMCD Hazardous Materials Chemistry | Delmar Publishing Author: Bevelacqua ISBN: 0766814343 Edition: 1st Edition Pages: 240 | Basic chemical nomenclature for the responder. Textbook. ----- Detailed chemical mechanisms are not discussed. Reference resource during training. Used for training Hazardous Materials Technicians. |
| 11RE-00-HMMI Hazardous Materials: Managing the Incident | Red Hat Publishing Author: Noll, Hildebrand ISBN: 1-932235-04-3 Edition: Third, 2005 Pages: 648 | Overviews the management of hazardous materials incidents. Primarily a learning text. The textbook consists of 12 chapters with chapters 1-3 addressing preparing for the incident and chapters 4-12 addressing how to respond safely to a hazardous materials incident. Chapter 4 is written as a “bridge chapter” and provides an overview of the Eight Step Process© which is a systematic way of approaching a hazmat incident. Chapters 5-12 expand on Chapter 4 by dedicating one chapter to each of the Eight Steps. ----- Suitable for preplanning, training, and exercise development. |
